**About This Concert**

In June 2023, Dr. Israel Neuman was awarded a Jazz Road Creative Residency grant of \$21,000 from South Arts, enabling the production of original music for a forthcoming album. In partnership with the TSU School of Communication, Dr. Neuman collaborated with TSU students and faculty throughout the summer of 2023 to craft the musical repertoire showcased in this concert. Featuring saxophonists Dr. Brian Perez, guitarist Sebastian Morales, pianist Jarrett McConnell, and drummer Willie Britton III, the Volution Ensemble will perform eclectic compositions derived from contemporary jazz, hip hop, interactive electronics, and folk music, written by Dr. Neuman (also the ensemble's bassist/producer) and hip hop vocalists Trinity Brooks and Cole Bracey.

*This event was made possible through the generous support of Jazz Road, a national initiative by South Arts, funded by the Doris Duke Charitable Foundation, with additional contributions from The Andrew W. Mellon Foundation.*
